

The All-in-One Contactless, Chip and Swipe Card Reader

Go here. Go there. Accept payments anywhere. Clover Go Contactless Reader is your go-to point-of-sale for secure credit card swipes, dips, and taps. Just bring your smartphone or tablet and a free hand.

Fast

No matter how your customer is paying, contactless, EMV® chip, or traditional swipe, Clover Go can take it – and get you paid fast.

Smart

Big things come in small packages. With Clover Go, you get intuitive sales reporting, business insights, and more.

Flexible

The Clover platform provides robust hardware and software solutions that grow with you as your business evolves.

Less to worry about with Clover in your corner:

Secure — Backed by over 25 years of data protection, Clover Security helps protect your business and customers.

24/7 Support — You can't do it all alone. So when you need help, we've got your back.

Tap. Dip. Swipe. Repeat. All day. Every day.

Whether you're running around town or running around your store, the Clover Go Mobile Point-of-Sale app and Clover Dashboard place additional, robust features at your fingertips.

Connect Wirelessly

The Clover Go pairs seamlessly with your mobile device or tablet through a Bluetooth® connection

Paperless Receipts

Customers want it their way, right down to the receipt. With Clover Go, it's simple to email or text receipts to your customers to keep them happy.

Tips and Taxes

Set custom percentage amounts for tips and create multiple tax rates for the things you sell.

End-to-End Security

Built-in Clover Security helps protect your customers, business, and reputation from fraud.
