Top 10 DIY Home Organization and Storage Ideas

STACKED TIN CAN OFFICE ORGANIZER

Supplies:

- 10 Tin cans
- Hot glue gun
- Glue sticks
- Spray paint

How to:

1. Gather and clean ten tin cans.
2. Arrange the cans (bottoms down) to form a triangle.
3. Glue all the sides that are touching each other. Some cans will have three sides with glue and some with only two sides of glue.
4. Spray paint the whole triangle with spray paint and let it dry.
5. Turn cans onto their base and get organizing!
