WALLPAPER HOME DECOR

Supplies:

- Various sizes of cylindrical drinking glasses and vases
- Vintage wallpaper
- Spray Adhesive
- Scissors
- Pencil

How to:

1. Place the wallpaper face down on a flat surface.
2. Lay the glass on its side on the wallpaper lining up the bottom of the glass with the edge of the paper.
3. Roll the wallpaper around the glass at the same time tracing a line with the pencil on the paper around the glass' rim.
4. When the paper meets together, covering the glass, overlap one end of the paper with the other and mark with the pencil.
5. Unroll the paper and cut out the paper.
6. Spray the adhesive on the backside of the wallpaper and rewrap the glass with the paper making sure to line up the top and bottom edges.
